

ACCESSIBILITY DECLARATION

Updated on 20 June 20, 2024

i24 News Website (the "Website"), managed by Middle East News Ltd., company no. 514783521 whose registered address is Hangar 1 Jaffa Port in Tel Aviv - Jaffa, which is part of the i24 News group of companies (the "Company"), is committed to the accessibility for people with disabilities, and we diligently work to make the Company and the Website accessible for everyone, including people with disabilities, in order to promote equal rights and full transparency towards people with disabilities for the purpose of making our services accessible to the entire population, and inter alia, to comply with the provisions of the Law on Equal Rights for Persons with Disabilities, 5758-1998 and its regulations.

Website Accessibility

The company takes steps to ensure that the Website is accessible, allowing functionality for all users, specifically so that a person with any disability can functionally use the Website with the same level of efficiency, functionality and pleasure as any other user. The Website does so through technologies that help accessibility.

- Accessibility adjustments were carried out in accordance with Law on Equal Rights for Persons with Disabilities, 5758-1998 and its regulations., recommendations of the Israeli Standard (ISR 5568) for Web Content Accessibility at AA level, and the international WCAG2.0 standard.

- The trials were tested for the highest compatibility for Chrome browser. Whoever the Website is compatible for viewing in any of the leading browsers, including for mobile use.

- The website provides a semantic structure for assistive technologies, and supports the standard operation patterns using a keyboard, using the arrows, Enter and Esc-for exiting menus and windows.

- Documents or videos uploaded to the Website before October 2017 may not be fully accessible. If you come across such a document or video, you can contact our Accessibility Coordinator and we will make sure to make the information accessible to you.

- For maximizing the browsing experience with a screen reading software, we recommend using the latest NVDA program.

The accessibility tests and consulting were carried out by A-2-Z Internet Accessibility and Marketing. The Company will ensure that the Website is checked occasionally to ensure its accessibility in accordance with this statement, the law and the changing reality.
